2. Certified that (subject to the remarks recorded below) qualifying service of Mr. K. Bhima Rao, late acting Head master, Board Hindu Girls' School, Harpanahalli, in superior grades has been duly proved for 22 complete years as against 21; as per calculation by the Director of Public Instruction, as per his letter of October 1934 referred to infra and that a superannuation pension not exceeding Rs.7-11-0 (Rs. Seven and annas eleven only) per mensem based on his pay (Rs.18/-) at the time of his transfer along with the school to the Board's management, increased by the amount of Rs.3/- granted to him for withdrawal of capitation allowance is admissible under Articles 458, 474(b) and 804 C.S.R. - Vide Director of Public Instruction's letter R.O.C. No. 1391 B/33 dated 8th August 1934 (copy herewith enclosed) and G.O. 178 Finance (G.&P.) dated 25th February 1929.

3. The applicant has also put in a qualifying service of 7 years, 8 months and 10 days in the inferior grade for which a gratuity not exceeding Rs.30/- (Rs. Thirty only) is admissible under Article 458 and 481 (a) and 804 of the Civil Service Regulations.

4. If, however, Government be pleased to allow with reference to G.O. No. 17 Finance (Pension) dated 9th January 1920 the increased rates of pay drawn by him in the Taluk Board after his transfer i.e. Rs.28/- per mensem from 1st

to 21 on p. 6 below

to 21 on p. 5 below

1st September 1930, Rs.25/- per mensem from 1st September 1931 and Rs.30/- per mensem from 1st September 1931 to the date of his retirement (Vide entries on page 40 of his service book), an enhanced pension, not exceeding Rs.10-1-0 (Rs. Ten and anna one only) per mensem will be admissible in lieu of that certified in paragraph 2 above. The Director of Public Instruction has not, however, recommended any enhanced pension. ^x Please see his letter R.C.C. No. 1391 B/33 dated 27th October 1931 (copy enclosed) and his letter dated 15th August 1931 referred to above. ^x

5. The difference between the proposed pension viz., Rs.13-1-0 - Vide entry against item 11 in the first page of the pension application and that stated to be admissible in paragraph 4 above, is due to the fact that a period of six years during which the applicant had drawn Rs.10/- per mensem has been taken by the President, Taluk Board to count for pension in the superior grades, while it should be treated as inferior and gratuity of Rs.30/- admitted therefor.

6. The calculations have been duly verified.

7. The pension and gratuity are chargeable to Madras Provincial Revenues in the following manner, are **V**oted and the pension will commence from the 21st February 1933.

Reference:-- Your letter No. Pen.B.33-33-34-49 dated 16-4-33.

A copy of the reply received from the Inspectress of Girls' Schools, II Circle in regard to the queries raised by you is enclosed.

2. As regards the rate of pension, it is seen that the teacher was transferred to the Board service along with the institution with effect from 1-9-1922. At the time of the transfer the teacher's substantive pay was Rs.12/- plus 6/- temporary addition to pay. Consequent on the introduction of the time scales of pay with effect from 1-3-1922 in the Education Department, the pay of untrained teachers of the lower Elementary Grade was fixed at Rs.15/- only. Also no time scales of pay were sanctioned in respect of posts or in respect of the incumbents of posts according to qualifications, in the institutions transferred to local bodies in 1922-23. The teacher, being, however, permanent on 1-3-1922 on Rs.18/- (Rs.12/- plus 6) though untrained, his pay would have been fixed at Rs.15/- plus 6 P.A. (Rs.15 pay for an untrained teacher of the lower elementary grade plus Rs.6/- personal allowance, Rs.3/- being the remainder of the temporary addition to pay plus Rs.3/- for loss of capitation allowance). His pay cannot be taken as Rs.15/- plus 7² as suggested by you for the reason that he could not have drawn pay at that rate between 1st March 1921 and 1st March 1922, the pay actually drawn by him could have been taken into account for the purpose of fixation of his pay, had he continued in Government service. In these circumstances it is

A note of explanation for delay in the preparation of the pension application of Kaganur Bhima Rao, Headmaster, Board Elementary Hindu Girls' School, Harpanahalli.

The headmaster, on retirement failed to hand over charge of articles in his possession correctly and his last pay was not drawn until he accounted for all things. This dragged for about six months owing to his absence from Headquarters. Subsequently the pension application was made ready. As this person was living in a remote village having no postal communication his presence had to be secured on some date when I would be at Headquarters. This took necessarily about three months. The delay is however regretted but it could not be avoided. Care will be taken to prevent such instances in future.

Instructions for filling up Form No. F.R. 9-A.

1. The account is to be maintained in terms of leave on average pay. For this purpose, actual periods of leave taken on half or quarter average pay as entered in column 13 should be divided by two and posted in column 14.

2. In the case of officers who were subject to the Civil Service Regulations leave rules before they elected the Fundamental Rules, the account should commence with an opening entry in columns 4, 5, 6, 7, 8, 11, 13, 14, 15, 16, 17 and 18. The words 'Due on (date of coming under the Fundamental Rules)' should be written across columns 1, 2 and 3 and against these words credit under Rule 77 (b) (ii) (1) should be given in column 4 and column 6 and that under Rule 77 (b) (ii) (2) and Rule 77 (e) in column 5 and column 7 while debit for commuted furlough taken under the old leave rules should be given in column 11 and that under Rule 78, Note (2) (i) (a), in column 13, one half of the latter being entered in column 14. The sum total of the entries in columns 6 and 7 and in columns 11 and 14 should be entered in columns 8 and 15 respectively. The difference between the entries in columns 8 and 15 should be entered in column 18 and the entry in column 4 or 6 should be repeated in column 16 while the entry in column 5 or 7 minus the sum total of the entries in columns 11 and 14 should be shown in column 17.

3. When a servant of a local body applies for leave, columns 1 to 8 should be filled up. Columns 1, 2 and 3 should show the local body served under and the period of duty up to the date preceding that on which the servant intends to go on leave, and columns 4 and 5 should each show $\frac{1}{12}$ th of this period (but see Note 2 below), the sum total of the two entries representing the period of leave (i.e., $\frac{2}{12}$ ths of duty earned under Rule 77 (b) (ii) (3)). To the new entry in column 4 should be added the last entry in column 16 and the resultant figure should be posted in column 6; similarly to the new entry in column 5 should be added the last entry in column 17 and the resultant figure should be posted in column 7. The total of the entries in columns 6 and 7 will be shown in column 8.

NOTE 1.—If during the period of duty prior to a servant's going on leave he has served under two or more local bodies the period of duty and the leave earned under each local body should be shown in separate lines in columns 1 to 5 and the sum total of the new entries in column 4 and the last entry in column 16 should be posted in column 6 and of those in column 5 and the last entry in column 17 in column 7, the total of the entries in columns 6 and 7 being shown in column 8.

NOTE 2.—The sum total of the entries in column 5, inclusive of the opening entry mentioned in instruction No. 2, should not exceed $2\frac{1}{2}$ years [Rule 81 (a) (ii)], and no entry should be made in this column when this limit of $2\frac{1}{2}$ years is reached.

When columns 1 to 8 have been posted, column 8 will show the *maximum* amount of leave which may be granted in terms of leave on average pay [but see Rule 81 (d)] to a servant of a local body on the date on which he intends to go on leave. The *maximum* amount of leave on average pay which may be granted on that date with medical certificate or out of India and Ceylon will be the sum total of the last entry in column 6 and the unspent balance of 'one year' limited to 8 months at a time, provided this sum total is covered by the period entered in column 8; in the case of leave in India or Ceylon without medical certificate, the maximum will be the last entry in column 6, limited to 4 months at a time. The limits of 8 and 4 months may be exceeded as provided in the note to Fundamental Rule 81 (b).

4. When an officer returns from leave, columns 9 to 18 should be filled up. The period of leave taken on average pay should be entered in columns 9, 10 and 11, that taken on medical certificate or spent elsewhere than in India or Ceylon should be entered in column 11 till the limit of 'one year' is reached and thereafter in column 10. The actual periods of leave on half or quarter average pay (together with leave on subsistence grant under the note to Fundamental Rule 88) and overstayal of leave (*vide* Fundamental Rule 78) should be entered in column 13 and one half of it in column 14.

NOTE 1.—Leave on average pay taken under the Fundamental Rules in India without medical certificate in excess of the last entry in column 6 before the deletion of 'plus one year' from Rule 81 (b) (ii) should be entered in column 11.

NOTE 2.—Under Fundamental Rule 80, the amount of leave due is the balance at credit in the Leave account, i.e., in column 18. Leave not due may be granted only if this is nil or a minus quantity—*vide* Fundamental Rule 81 (c). The leave salary will, in that case, be half average pay—*vide* Fundamental Rule 87(b). Thus the grant of leave not due affects columns 14, 17 and 18 only. If at the same time there is a plus figure in column 16, this balance of leave on average pay is suspended, not wiped out. When leave again becomes due under the operation of Fundamental Rules 77 and 81 (e), this balance shown in column 16 is revived again to the extent of the balance of leave due.

5. The total period of leave in terms of leave on average pay taken in a servant's whole service as entered in column 15 should not exceed the privilege leave credited to him in column 4 on his coming under the Fundamental Rules plus all periods of leave subsequently entered in that column plus $2\frac{1}{2}$ years.

6. When a servant of a local body is transferred to service under another local body a separate account should be opened in this form for showing the leave earned under that local body and the leave the cost of which is debited to that local body. This account will be in addition to the main leave account which must be a complete record of all leave earned and taken under these rules throughout his service.
